

Pledge of Allegiance

Meeting Attendance: 11 attendees

Introduction of Guests and CFIs

Moderator: Michael Barnett, CFIA, Instrument and Charter Pilot

Safety Topic: "Bring you're "A" game night"

IFR Tip of the Month:

A quote from Mark Twain to remember if you are flying in IMC and surrounded only by clouds that appear to be full of dirty water.

"The air up there in the clouds is very pure and fine, bracing and delicious. And why shouldn't it be? It is the same the angels breathe."

Meeting discussion:

Using a series of flash-cards we generated discussions about instrument flying safety, technique, regulation, and what if this...what would you do chats. The outcome was that those of us who have been flying in the system for some time needed reminding how much we forget, while the three outstanding performers were A CFII, A newly minted instrument pilot, and an instrument student ready to demonstrate proficiency to a pilot examiner. Good job to those three and all of the others that participated.

Next Month's Meeting Topic: Thunderstorms: Late Summer and Fall. Prepare your cockpit and load your machines.

And a Big thanks to Michael for covering this meeting for me while I was out of town...
