

IMC/VMC Safety Forum Reference Material

Chapter 302 June 14, 2017 update

SEE ALL our meeting notes at: <http://www.eaa302.org/imcvmc.htm> then check out the rest of the website.

Subscribe Now to the IMC Advisor via: <http://www.eaa.org/en/ea/ea-news-and-aviation-news/ea-aviation-newsletters>

The purpose of the IMC/VMC Safety Forum is to promote Safety and Proficiency in our flying. Provide a support group to connect experienced pilots with less experienced to provide helping hands to our flying family in the IFR system. Our meetings are about learning from others & others learning from you. At our meetings we share our experience through organized hanger flying. We encourage pilots to get out and fly and have fun & enjoy Flying. We encourage both IFR and VFR Pilots attend.

Tommy Fankhauser

EAA Chapter 302

IMC/VMC Safety Forum Coordinator
